Cengiz KIRLI
cengiz.kirli@boun.edu.tr

Tuesday: 14:00-17:00

Course Description:

The seminar introduces students to the range of methodological, theoretical, and ideological frameworks that have guided historians today. It also provides a history of historical writing in the second half of the twentieth century with a focus on contemporary theoretical and epistemological issues. We will try to map major turning points in the field by examining social history, cultural and linguistic turn, postcolonial theory, postmodernity's histories, and culturalism and globalism as political discourses. In the seminar we aim to explore major differences in assumptions about the meaning and purposes of history.

Requirements:

1. Performance in classroom discussions (50 %).
2. Final exam (50 %).
